

Maple Leaf Wins Second Motorboat Race in Record Time—Yale Football Men Get Busy

MAPLE LEAF MAKES PHENOMENAL SPEED

Does One Mile at Rate of Over 56 an Hour in Winning Second Big Race.

FRENCH VICTOR OUT OF IT

Despujols II, Winner of First Race, Breaks Down—Ankle Deep Third.

Special Cable Despatch to THE SUN.

CORRIGAN, England, Sept. 11.—E. Mackay, who represents the Royal Motor Yacht Club in the series of races for the British International Trophy, won the second race today in very fast time. She went around the course on Osborne Bay six times in 23 minutes 35.5 seconds, defeating the French and American boats easily. In doing this she made a new record for high speed boats over a course of 32.4 miles.

Ankle Deep got away in the lead, but soon was overhauled by Despujols II, which led at the end of the first lap with Maple Leaf next. Despujols II was unable to complete the course as she broke down, but at this point she broke down. Maple Leaf slipped ahead and at the end of the fourth lap had a long lead over Despujols I, with Ankle Deep third and Disturber fourth.

This order was maintained until the finish, when Maple Leaf, which was steered as on yesterday by Sopwith, the aviator, was an easy winner, eclipsing Despujols II's time of yesterday by 2.5 seconds. The times in the first race were: Maple Leaf, 29 minutes 29.5 seconds; Despujols I, 42 minutes 45.5 seconds; Ankle Deep, 42 minutes 52.5 seconds; Disturber, 44 minutes 8 seconds.

Despujols II had to be towed away. She is hopelessly crippled, and as she was unable to complete the course she will be debarked from racing again. Despujols I also met with an accident. An exhaust tube blew out and a mechanic sustained a severe cut in the head, but he piously stuck to his post till the end of the race, when he still was bleeding profusely, but his injury is not a dangerous one.

Great Britain and France having each won a race a third contest is necessary. Should America win the third race a fourth contest will be required. The time of the Maple Leaf IV, which is phenomenal and shows that in former races this boat has not been driven to her highest speed. If the course has been measured accurately the Maple Leaf IV is the fastest motor boat in the world without any doubt. She did one mile in 1 minute 13.8 seconds, which is at the rate of 48.78 nautical miles, or 56.97 statute miles an hour.

In the first race yesterday the Maple Leaf made the last lap of the triangle at the rate of 49.06 nautical miles an hour. She had started poorly and did not get going at her best until the race was well under way. She then moved up very fast and was overhauling the Despujols rapidly at the finish. If the times are accurate the Maple Leaf should have little trouble in winning the third race to-morrow and keeping the trophy in British waters.

PROS HANDLE 50 FOOTERS.

Carolina Wins Second Race and is Tied With Grappling.

Four of the New York Yacht Club's fifty foot sloops sailed their second race with professional crews yesterday over a short course of ten miles on the Sound. The wind was so light from the westward that the committee in charge deemed it desirable to make sure of completing the contest before dark.

The Carolina II, owned by Pembroke Jones, won. She defeated J. P. Morgan's Grayling by 13 minutes 1 second. H. P. Whitney's Barbary was third, by 2 minutes 11 seconds. The points in the series now stand as follows: The Carolina II, 9; and the Barbary, 4. The final race will be sailed to-day if possible. The summary:

Yacht and Skipper	Finish Time	Elapsed Time
Grayling, J. L. Anderson	4:41.1	1:23.1
Barbary, E. Nelson	4:54.1	1:36.1
Grayling, J. P. Morgan	5:10.1	1:52.1
Carolina II, J. L. Anderson	5:23.1	2:05.1

EASY WIN FOR INCOGNITI.

Hockings and Marshall Only Effective Batters Against English Bowling.

Barely managing to save a single innings defeat, the New York team were easily beaten by the Inconiti eleven of England in the international cricket match, which was resumed yesterday at the luncheon interval, but when the bowlers Muller and Falcon were superseded by Sarel and Mulholland runs came quickly. The rate of scoring was much quicker. When Tudor was put on to bowl and the New York bowlers were overpowered by eleven runs, the total made in the first innings.

The best batting of the day was furnished by A. Hockings and C. E. Marshall in partnership for the sixth wicket. The score was carried from 34 to 94, both batsmen hitting out merrily, until Marshall was caught for a contribution of 38. Hockings had fifty-one runs to his credit and was not out when the innings closed for 152. The score:

Innings	First Innings	Second Innings
New York	141	141
England	122	201

WABLANDS WARRIOR BEST.

Imported Wire Haired Terrier Owned by A. H. Smith Beats All.

STRAUSE, Sept. 11.—The dog show held under the auspices of the State Fair Commissioners closed to-day after the wire haired terrier Wablands Warrior had won the Onondaga Hotel cup for the best dog in the show. The bulldog Blunderbush, the property of Thomas W. Lawson, was reserved for this cup. Wablands Warrior is a recently imported dog, the property of Alfred Holland Smith of Chappaqua, N. Y., and a terrier of great merit.

The Theodore Crane cup for the best non-sporting brace owned by a woman resident of Syracuse went to the German Shepherd dogs Circo and Krunhild von Wolling, owned by Miss Marion Demmon. The William Butler cup for the best dog of which owned by a resident of Syracuse was awarded to the Irish setter Salt Town.

Miss Demmon's German shepherds also won the W. Cross cup and Frank Addison got the cup for the largest number of entries. The majority of the winning dogs will leave to-night for the "expos," Mass., show to be held to-morrow.

Go-Between Drops Dead Leading Field

READING, Pa., Sept. 11.—Go-Between, which won the Suburban Handicap in 1908, fell dead while in the lead of a fast string of horses in the one mile running race at the Berks Fair this afternoon. This famous money getting stallion was one of the best known racehorses in the country when owned by William Shields. For the past two years he was owned by Al W. Kline of this city.

Jenks, a colored jockey, had the mount on Go-Between when he fell. The horse's neck was broken. After the race a charge was made by Go-Between's jockey that his mount was deliberately fouled by another rider.

MISS WAGNER FIGHTS WAY TO TWO FINALS

National Title Holder Defers Jersey Championships.

MORRISTOWN, N. J., Sept. 11.—Miss Marie Wagner, national indoor title holder, had an edge on the honors of to-day's play in the New Jersey State championship lawn tennis tournament at the Morristown Field Club, for she reached the final round in both singles and doubles.

The former pair triumphed over Miss Teresa R. Kuser of Trenton in a hard fought third set match at 3-6, 6-3, 6-0. Miss Kuser's play was strong and steady in the first two sets, and she forced the Hamilton Grange girl to fight for every point. The grueling pace was too much, however, for Miss Kuser and she was too tired to offer much resistance in the third.

In the doubles Miss Wagner was teamed up with Miss Clara Cassell. The team met with strong opposition from Mrs. Marshall McLean and Miss Edna Widley. The former pair took straight sets, but only by the narrow margin, at 7-5, 6-4.

Mrs. Marshall McLean will meet Miss Wagner for the singles title to-morrow. Miss McLean moved up at the expense of Miss Edith Condit, winning in straight sets at 6-1, 6-2. In the doubles final Mrs. W. H. Pouch and Miss Alberta Weber will meet Miss Clara Cassell and Miss Edith Condit.

New Jersey State Championship Women's Singles—Fourth round—Miss Marie Wagner defeated Miss Teresa R. Kuser 6-3, 6-0, 6-0; Miss Edith Condit defeated Miss Alberta Weber 6-2, 6-0, 6-0.

YALE'S FIRST DRILL FILLED WITH GINGER

Howard Jones Puts Squad of Twenty-five Through Their Paces.

THREE VETERANS PRESENT

Markle, Cornell and Capt. Ketcham, Who Works With Backs.

NEW HAVEN, Conn., Sept. 11.—Howard H. Jones, head coach of the Yale football team for 1913, arrived in town to-day and started the opening practice at Yale Field.

The only coach assisting him was Carl Gallauer, who played end and tackle last year. Capt. Ketcham also was present and worked with the backs. There were twenty-five at the field, and the cool weather made it an ideal day to start.

The only veteran "Y" men here besides Capt. Ketcham were Markle and Cornell, both back field players, but the others will arrive to-morrow. The other backs are at Newport, at Dr. Bull's farm. Pumphly, Wilson, Mitchell and Cantle have been here for a couple of weeks, and Markle was there until to-day. Ketcham, Warren, Talbot, Guernsey and half a dozen others have been at Nantucket.

The work to-day was full of ginger and consisted of falling on the ball for the whole squad, passing the ball for the backs and some kicking for the backs. The candidates for the line positions under Gallauer did some charging and breaking through. After to-day there will be two sessions of practice each day until college opens. Those who were in the practice to-day were Miller and McLeish, centers; Thompson and Anderson, quarterbacks; Hammer, Markle, Alsworth and Becker, halfbacks; Cornell and Driscoll, fullbacks.

STUYVESANT HAS NO COACH.

Back Moore of N. Y. U. to Be Asked to Take Job—Scholastic Notes.

Coach Wilson's departure from Stuyvesant High School has left the school without a football mentor and unless the combined efforts of Messrs. Corbett and Meyer to engage one prove fruitful Stuyvesant's outlook may be said to be doubtful. Back Moore, star halfback of N. Y. U. two years ago, will be asked to take charge at Stuyvesant. Beginning to-morrow practice will be held at Manhattan Field two days a week, the remaining three days going to De Witt Clinton.

Coaches Susskind and O'Neill had the Commerce men out yesterday for a light practice on the campus. The team at present is without a captain, due to Blotget's departure to the Naval Academy. Elections will be held shortly.

The arrival at De Witt Clinton of Swift, a former tackle of the Toledo, Ohio, eleven, and a member of Manhattan Prep was learned yesterday.

THREE TIGERS KICK WELL.

Merritt, Heyniger and Gile All Get Off Good High Spirals.

PRINCETON, Sept. 11.—Rudimentary football was continued to-day, the men being out through called plays for about an hour, after which the line men were drilled by Coach Blumenthal, while the end and backfield men were sent down the field under points by Coach Andrews. Merritt, Heyniger and Gile did the kicking, all three getting off high spirals, allowing the ends to get down in plenty of time to cover Capt. Baker, Emmons and J. S. Baker, who were receiving the kicks. It will be a hard fight for the backfield positions this year, as there are a number of men who appear well matched. Capt.
